I-70 East Air Meeting Notes.docx

Hi Phil,

**Ex. 6 - Personal Privacy**

ended working from 8 a.m. to 12 N today on the I-70 AQ East teleconference with OTAQ. I prepped for the call, participated in it, and then wrote up meeting notes to help Tim in crafting our letter, which is due Jan. 14.

Tim briefed Monica Morales and told me that she would be calling you, so I am attaching the notes that I wrote for Tim so that you will know what was discussed.
